COMMUNICATION

Applicant filed a Supplemental Information Disclosure Statement on June 12, 2003 listing 14 PubMed abstracts that were provided by the Taiwanese Patent Office in connection with a Taiwanese counterpart application. Subsequently, Applicant has obtained copies of the full citation for each listed abstract. Applicant respectfully submits herein complete copies of the references identified by the PubMed abstracts. In addition, Applicant respectfully requests that the "Abstract only" designations be removed from the June 12, 2003 Information Disclosure Statement once these items are confirmed as being considered. Alternatively, Applicant respectfully submits that the enclosed 1449 Form lacking the "Abstract only" designations can be used for convenience.

Please apply any other charges or credits to Deposit Account No. 06-1050.

Respectfully submitted,
